Investment policy

The investment objective of Anthilia White is producing a positive and stable absolute return with low volatility (below 3%) and low correlation with global fixed income and equity markets. The Fund aims to achieve this objective by investing in a globally diversified portfolio comprising: 1. Equity and equity related securities; 2. Fixed income (any type of floating or fixed rate government or investment grade corporate debt security); 3. Short-term deposits and money market instruments; 4. Structured financial instruments listed or traded on one or more Recognised exchanges. No more than 10% of net asset value will be invested in such instruments.
